3. FOOD & NUTRITION

Service provider	Contact name		Mobile number			
Indicators	Info	Std	Comments			
Date of last food distribution (date)						
Period covered (no. of days)						
% of beneficiaries entitled to food who received full food basket during last food distribution		100				
Average kilocalories per person per day		≥ 2,100				
Percentage of female members in food distribution committee		50%				
Latest nutritional survey conducted						
Rate of malnourished 6-59 mths children (GAM) measured by Z-score		< 5%				
Overall Food & Nutrition situation is: <i>[delete non-relevant ticked boxes]</i>	Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable	<input checked="" type="checkbox"/>
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>						

4. WATER & SANITATION						
Service provider		Contact name			Mobile number	
Indicators		Info	Std	Comments		
Water source: trucking [T]; well [W]; borehole [BH]			n/a			
Average total quantity of water per day (litres/day)			n/a			
Average quantity of water per person per day (ltr/pers/day)			≤ 15			
Total number of latrines (drop-holes) in use			n/a			
Number of persons per latrine (drop-hole)			≤ 40			
Number of communal refuse pits/bins			n/a			
Number of persons per communal refuse pit/bin			≤ 500			
Overall Water & sanitation situation is: <i>[delete non-relevant ticked boxes]</i>		Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable <input checked="" type="checkbox"/>
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>						

5. HEALTH						
Service provider		Contact name			Mobile number	
Indicators		Info	Std	Comments		
Crude Mortality rate (CMR) [deaths per 10,000 persons per day]			1/10,000			
Mortality rate among children under 5 years old (U5MR) [deaths per 10,000 CU5 per day]			2/10,000			
No. of live births						
No. of deaths <1 year old						
No. of deaths <5 years old						
No. of deaths (overall)						
No. of cases of bloody diarrhoea?						
No. of cases of Malaria?						
No. of cases of Meningitis?						
Health post available within site? (Y/N)						
Distance from nearest health post (meters)						
Distance from nearest hospital (km)						
Is an ambulance available on site? (Y/N)						
Number of persons per primary HC facility			10,000			

Total population served by primary HC facility						
% live births attended by skilled personnel (exc. TBAs)			≥ 50%			
% of newborn children with low birth weight [< 2,500 gs] (weighted within 72 hours)			< 15%			
Measles vaccination coverage			≥ 90%			
Is antiretroviral therapy available for IDP community? Surrounding community? (Y/N)						
Number of condoms distributed per person per month			≥ 1			
Overall Health situation is: <i>[delete non-relevant ticked boxes]</i>	Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable	<input checked="" type="checkbox"/>
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>						

6. EDUCATION						
Service provider	Contact name		Mobile number			
Indicators	Info	Std	Comments			
Primary tented school facility available on site? (Y/N)		n/a				
% of children attending on site primary school facility		100%				
% of children placed in neighbouring primary school facility						
% of children on site enrolled in grades 1-6		100%				
% of children enrolled in grades 7-12						
Number of children per teacher in primary school facilities available on site		≤ 60				
Pre-school facility available on site? (Y/N)						
% of pre-school children attending pre-school facility						
Is there an IDP education committee established?						
Overall Education situation is: <i>[delete non-relevant ticked boxes]</i>	Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable	<input checked="" type="checkbox"/>
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>						

7. PROTECTION							
Service provider		Contact name		Mobile number			
Indicators		Info	Std	Comments			
Any attacks on the camp taking place or credible threat to the physical safety of camp residents made during reporting period? (Y/N)			N				
Distance of closest police station or police post (meters)							
Is the camp protected by a fence and/or other protection means (watch towers)? (Y/N)							
Is there an IDP security committee with participation of district and police authorities? (Y/N)			Y				
Can IDPs move freely in and out of the camp (Yes All [YA]/Yes Some [YS]/N)			YA				
Are IDPs forcibly returned to or forced to settle in places where their life, safety and/or health would be at risk (Yes All [YA]/Yes Some [YS]/N)			N				
Do IDPs face particular restrictions with access to justice which are different from oth. Kenyan citizens? (Yes All [YA]/Yes Some [YS]/N)			YA				
Are there any obstacles to IDPs having access to national identity documents on an equal basis with other Kenyan citizens? (Yes All [YA]/Yes Some [YS]/N)			YA				
Are newborn IDP children issued a birth certificate by competent authorities? (Yes All [YA]/Yes Some [YS]/N)			YA				
Total no. of UAC/SCs							
% of UAC/SCs for whom tracing has been successful			100%				
Are the IDPs able to exercise on an equal basis with other Kenyan citizens their right to own, use, enjoy and, when the case, recover their property and possessions? (Yes All [YA]/Yes Some [YS]/No [N])			YA				
Is there on site an established reporting mechanism to collect GBV cases? (Y/N)			Y				
No. of reported GBV cases?							
Are PEP kits available on site and offered to GBV survivors? (Yes All [YA]/Yes Some [YS]/N)			YA				
Any special attention/assistance for persons with special needs? (Y/N)			Y				
Overall Protection situation is: <i>[delete non-relevant ticked boxes]</i>		Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable	<input checked="" type="checkbox"/>
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>							

8. SHELTER & NFIs			
Service provider	Contact name		Mobile number
Indicators	Info	Std	Comments
Total surface area (m2) [1 hectare = 10,000m2]			
Average camp area per person (m2)		>30m2	
Average shelter floor size per person (m2)		≥3.5m2	
No. of persons with adequate shelter ³		100%	
No. of persons with rudimentary shelter ⁴			
No. of persons with basic shelter ⁵			
No. of persons living in tents			
No. of persons without any shelter			
Any organized cooking areas in the camps? (Y/N)			
Any recreational space in the camp? (Y/N)			

8a. STATUS OF NFI SITUATION					
Types of NFI	No. of families w/ access to:	No. of families in need of	Types of NFI	No. of families w/ access to:	No. of families in need of
Tents			Mattresses		
Plastic sheeting			Cooking sets		
Blankets			Cooking stoves		
Mosquito nets			Fuel (firewood/charcoal)		
Jerry cans			Sanitary towels		
Soap			Clothing		
Comments					
Overall Shelter and NFI situation is: <i>[delete non-relevant ticked boxes]</i>	Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>					

³ 'Adequate shelter' should provide protection from wind, rain, freezing/cold temperature and direct sunlight. Minimum living space requirements are 3.5 m2 per person and overall camp space requirements of 30 m2 per person.

⁴ 'Rudimentary shelter' in the Kenyan IDP context: plastic sheeting without any supporting structure (poles, rope and others)

⁵ 'Basic shelter' in the Kenyan IDP context: plastic sheeting with supporting structure (poles, rope and others)

9. CAMP COORDINATION & CAMP MANAGEMENT (CCCM)							
Service provider(s)		Contact name		Mobile number			
Indicators		Info	Std	Comments			
Is there a fixed permanent camp management structure in the camp? (Y?N)							
If camp covered by mobile camp management structure, what is frequency of camp management team visits? (times per week)							
Has a camp administrator been appointed by relevant authorities? (Y/N)							
Has a gender sensitive IDP camp committee been set up with participation of authorities and camp management team? (Y/N)							
Is a policy for effective management of the camp in place? (Y/N)							
Overall CCCM situation is: <i>[delete non-relevant ticked boxes]</i>		Satisfactory	<input checked="" type="checkbox"/>	Unsatisfactory	<input checked="" type="checkbox"/>	Unacceptable	<input checked="" type="checkbox"/>
<i>Provide short analytical assessment on sector situation, gaps, constraints and progress</i>
